## BAND AND CHORUS GRADUATES:

*It is with sincere feeling of loss that we bid farewell to the Senior members of the McFarland High School Music Program. These young musicians have served their school by playing and singing in the band and chorus during their years at McFarland. While their presence will be missed, they will not be forgotten, for by their contributions, they have made it possible for the band and chorus program to grow and continue in the fine tradition established here over the years.*
