The back of the (believed to
be) Wisconsin State Journal
article on the McFarland
German Junior Band (ca. ?/??/
1967) had another column
mentioning the band.

Unfortunately, the paper was
cut for the front article prior to
finding this.

decide whether or not a district
should be formed. As I
understand it now from the
grapevine, there are enough
signatures of those who are in
favor of the district to make the
district a reality. We'll wait and
see.

Friday evening, I had the
asure (and I do mean pleasure)
hearing McFarland's German
d for the first time. These
s are only in seventh grade
h one sixth grader) but can
six of them ever make
atiful music. These kids have
n practicing, on their own,
y Saturday morning since last
and they sound really good.
y will ride in Saturday's
tival parade, so everyone will
e an opportunity to see and
r them then. See if you don't
ee with me.
