

McFarland Band Goes to Canada

McF A R L A N D — The McFarland High School Band, under the direction of Thomas Dvorak, left Thursday for Winnipeg, Manitoba, where it will participate in the Manisphere 00 Festival.

The 62-member band will stage its first Canadian performance today and participate in a festival parade Sunday.

Students in the band, who are being accompanied by Dvorak and six chaperones, raised the money for the trip with a number of fund-raising campaigns. The band is expected to return to McFarland Monday.

The Manisphere Festival features bands from all over Canada and northern United States.
